

**P-05-701 Road Safety Improvements along the A487 Trunk Road between  
Cardigan and Aberystwyth –  
Correspondence from Petitioner to Committee, 09.05.18**

Many thanks for your e mail.

I write pleading with the petitions committee to put into action a planned system of works in order to improve the road safety along the backbone of Ceredigion.

I understand that Mr Skates recently attended a joint meeting with Powys discussing thr Mid Wales economy and it is imperative for developing the economy, we have a fit for purpose network.

The safety concerns are on going with many serious accidents happened since my initial contact.

I therefore plead that the matter is given your utmost efforts to improve our vital link North South.

My sincere and kindest regards

*Maldwyn Lewis*
