Dear Kirsty,

**School Organisation Code**

During Plenary questions without notice from party spokespeople last week (25 April) you confirmed your intention to publish the school organisation code before the summer recess.

The Committee discussed the matter at its meeting this week and welcomes your intention to have the code in place for the new school term. Given the relevance of the code to the Committee's portfolio, committee members are keen to work with you to help shape it. As such, we would welcome sight of the draft code before it is laid before the Assembly.

The Committee would also welcome further detail about when responses to the consultation on the code will be available publicly.

Yours sincerely

**Lynne Neagle AM**  
Chair
