13 June 2018

Dear David

Thank you for your letter of 4 June, regarding petition P-05-814 - All New Builds In Wales to Have Solar Panels.

Your letter seeks further detail on the timescales for the review of Part L (Conservation of fuel and power) of the Building Regulations.

It is envisaged the selected lead consultant will commence scoping work this month. The scoping study will inform the development of proposals for public consultation currently planned for the first half of 2019.

Regards

Lesley
