21 June 2018

Dear Committee Chairs

Welsh Government Draft Budget 2019–20

At our meeting on 21 June, the Finance Committee agreed its approach to the budget scrutiny. I am writing to all Chairs of subject committees to share our thinking, and to encourage your committees to consider how you can contribute to delivering the most coherent and effective scrutiny of the Government's spending plans.

Budget focus

We have agreed to continue the approach followed in previous years, whereby budget scrutiny is centred on the four principles of financial scrutiny: affordability, prioritisation, value for money and process. The principles are:

- **Affordability** – to look at the big picture of total revenue and expenditure, and whether these are appropriately balanced;
- **Prioritisation** – whether the division of allocations between different sectors/programmes is justifiable and coherent;
- **Value for money** – Essentially, are public bodies spending their allocations well – economy, efficiency and effectiveness (i.e.) outcomes; and
- **Budget processes** – are they effective and accessible and whether there is integration between corporate and service planning and performance and financial management.

Following a stakeholder event in Swansea, we have identified a number of areas which we would like to see the focus of the scrutiny, these are:

- *How the Welsh Government should use taxation and borrowing powers, particularly in relation to the Welsh Rate of Income Tax*
- *Approach to preventative spending and how is this represented in resource allocation (Preventative spending = spending which focuses on preventing problems and eases future demand on services by intervening early), particularly in relation to the financing of local health boards and health and social care services*
- *Sustainability of public services, innovation and service transformation*
- *Welsh Government policies to promote economic growth, reduce poverty, gender inequality and mitigate welfare reform*
- *The Welsh Government's planning and preparedness for Brexit*
- *How evidence is driving Welsh Government priority setting and budget allocations*
- *How the Future Generations Act is influencing policy making*

We would encourage you to use some of these areas as the focus for your budget scrutiny.

Draft budget consultation

As has been the previous practice, we will be undertaking a consultation on behalf of all Committees over the summer recess and the responses will be shared with you in the Autumn in order to assist your scrutiny of the draft budget.

I enclose a summary of the views we heard at the Finance Committee's pre-budget stakeholder event in Swansea on 7 June, which may inform your budget scrutiny.

Timetable

We have not yet been notified of the dates for the draft budget, the Cabinet Secretary for Finance is required to do this two weeks prior to summer recess. I have asked the Finance Committee Clerk to liaise with your Clerk once dates are known.

As you will be aware the provisions in relation to the reporting by policy committees changed in 2017, and you are now able to report in your own right (if you so wish), and your reports can be used as a supporting document to the draft budget debate.

As a Committee we are considering how we can maintain a strategic, oversight role of financial scrutiny. The Committee noted during our review of draft budget scrutiny in January 2018, the wide range of evidence gathered before and during

scrutiny last autumn, particularly in the health, local government and education areas. This led to insightful conclusions and recommendations, which we are pleased to see has been followed up throughout the year. We would welcome any views from you as to how the process may be improved.

If you have any questions about any aspect of the draft budget process, please feel free to contact me or the Clerk to the Finance Committee, Bethan Davies, 0300 200 6372, Bethan.Davies@assembly.Wales

Yours sincerely
