Question	Answer
01	Yes
02	No
03	Yes Other community organisation and housing should also be required to adhere to the bill
04	No
05	It would be preferable to get the strategy right than rush the guidance to meet the timelines in my opinion
06	as above it would be preferable to get the guidance right than rush to meet the timelines in my opinion
07	This does not give organisations much time to prepare for the changes/ change ways of working/ allocate funding/ recruit staff etc if this will be required to meet the new law.
09	Yes
10	No
13	Yes
14	numbers of individuals with autism and gender
15	It should be written on the Bill.
16	Yes
17	It should happen all the time.
18	If it means that adults with autism can better access services then it will be positive as long as there are services there to meet these people's needs as currently individuals can still fall between services as they often don't meet current criterias or after assessment there isn't a follow up service to work morre longer term with individuals.
