Question	Answer
01	Yes
02	Yes
03	Yes
04	Yes
05	it will probably need to be 6 months to get the views of experts/experts by experience to assist in writing the strategy
06	seems appropriate
07	no
09	Yes
10	Not sure Currently appropriately trained people carry out the diagnosis. By creating a team approach it could lengthen the process. The bill needs to define the qualifications and training of people to be qualified to diagnose the condition.
12	the service not understanding their communication or behaviours
13	Yes
14	Other information that would enable planning for services e.g positioning on the spectrum and additional needs such as physical disability/other sensory disabilities, that would effect planning of services.
15	It should be written in the guidance.
16	Yes this would assist in planning purposes
17	It should happen all the time.
18	The preferred language of the person/family should be supported This seems an odd question!!
19	It seems a long time coming
