Question	Answer
01	Not sure Feel this would clarify what people are reading
02	No Yes, but this would then be a Neurodevelopmental Bill, rather than just ASD.
03	Yes
04	Not sure This is dependent on the knowledge of the minister. It depends on what is in the ASD strategy, as without the strategy the bill says nothing.
05	It is useful to have a timescale to enable people to know what is happening and when things can be expected
06	It is importance that the guidance continues to develop to reflect what is in the autism strategy
08	It is important that the that Bill reflects the guidelines set out by NICE
09	Yes This could have an impact on IDPs in the future
10	Yes
11	A paediatrician (if a child is undergoing a diagnosis) Educational psychologist
12	Family circumstances Nobody to speak on their behalf - Advocacy Services
13	Not sure
15	It should be written in the guidance.
16	Yes
17	It should happen all the time.
18	If it helps to raise awareness and understanding it will be a good thing

19

If it helps to raise awareness and understanding it will be a good thing. Many people with ASD need additional support to access education, work and society.
