Question	Answer
01	Yes
02	Yes Doctors often diagnose is as well as a possible condition. This bill needs to cover everyone with neurodevelopmental disorders.
03	Not sure It totally depends as well who is diagnosing. It can be hard to diagnose and tertiary care can be needed.
04	Yes Each patient should have the right on full diagnosis, treatment and support anywhere and international if needed. Autism is for many people totally misunderstood. Each person needs is different. You need to help to cope and develop them as much as possibl
08	Timescale in NICE guidelines are too long. People need to see the right people directly and not put on waiting lists, which makes only everything worse.
09	No Assesment should happen directly afterwards, because you cannot wait with these conditions.
10	Yes
11	Neurologist
12	They often don't know where to get all the help. It is very difficult to get as well.
13	Yes
15	It should be written in the guidance.
16	Yes
17	It should happen all the time.
