

P-04-433 CCTV in Slaughterhouses

This petition was submitted by Animal Aid and was first considered in November 2018 having collected 1,066 signatures.

Text of Petition

We call on the National Assembly to urge the Welsh Government to introduce mandatory CCTV in slaughterhouses to help vets with better regulation and monitoring, to provide footage for training and retraining, to deter some of the animal welfare abuses filmed by Animal Aid, and to provide evidence for prosecutions should they be necessary.
