Dear David,

3 November 2018

Thank you for your letter of 10 October regarding petition P-05-823 Reduce the speed limit on the A487 in Penparcau.

We are currently undertaking feasibility studies along the A487 for providing schemes that can provide safer overtaking opportunities such as climbing lines. If feasible, these local improvements will be constructed over the next few years depending on available funding.

As noted in my previous responses, we are also in the process of carrying out a three year Speed Limit Review, looking at road safety issues at over 600 sites on all trunk roads in Wales. Your comments will be taken into consideration as part of this process when this section of the trunk road is reviewed.

The results of the review will be made available online and any works arising from the wider review will be prioritised, as funding allows, for a programmed completion over the next three to four years.

*Yours ever,
Ken*
