Dear David,

8 November 2018

Thank you for your letter of 25 October regarding Petition P-05-851 calling the time restriction on the layby to the east of Crickhowell to be removed.

I have responded to Crickhowell Town Council and although I appreciate the concerns raised regarding lack of parking provision in the town, trunk road laybys are not provided for use as car parks.

The time restriction was introduced at this particular layby because of a history of misuse by traders and because it was being used for long term parking.

I understand the Town Council has contacted the Local Authority and agree they are best placed to resolve the issues with parking in the town as they are responsible for determining the location and nature of on-street parking.

*Yours ever,
Ken*
