#### Commentary

These Regulations are proposed to be made by the UK Government under section 8(1) of the European Union (Withdrawal) Act 2018.

These Regulations make amendments to legislation relating to the Carbon Reduction Commitment (CRC) legislation and, in particular, provide for the continuation, across the United Kingdom, after exit day of exemptions applicable immediately before exit day.

Legal Advisers agree with the statement laid by the Welsh Government dated 27 November 2018 regarding the effect of these Regulations. The above summary and the content of the Explanatory Memorandum to these Regulations confirm their effect and the extent to which these Regulations would enact new policy in devolved areas.

Legal Advisers have not identified any legal reason to seek a consent motion under Standing Order 30A.10 in relation to these Regulations.
