

EXPLANATORY MEMORANDUM TO
THE FISHERIES (AMENDMENT) (EU EXIT) REGULATIONS 2019

2019 No. [XXXX]

1. Introduction

1.1 This explanatory memorandum has been prepared by the Department for Environment, Food and Rural Affairs (“Defra”) and is laid before Parliament by Act.

2. Purpose of the instrument

2.1 This instrument makes minor technical corrections to primary and secondary domestic legislation which gives effect to EU measures forming part of the Common Fisheries Policy (CFP). This will ensure that the legislation continues to operate effectively, so that fishing continues to be regulated in a sustainable manner after the UK leaves the EU. This instrument is linked with The Common Fisheries Policy (Amendment etc.) (EU Exit) Regulations 2018.

Explanations

What did any relevant EU law do before exit day?

2.2 This instrument does not amend EU law itself, but amends domestic laws which give effect to and enable enforcement of certain CFP and marine management measures.

2.3 The domestic laws being amended are as follows.

- (i) The Sea Fish (Conservation) Act 1967: the relevant provision relates to proceedings in Scotland for offences relating to licensing requirements for fishing boats.
- (ii) The Fisheries Act 1981: the relevant provisions are in Part 1 concerning the duties of the Sea Fish Industry Authority in relation to the sea fish industries of member States, Part III concerning the enforcement of EU restrictions or obligations under the CFP, and Part IV concerning financial assistance for fish farming.
- (iii) The Marine and Coastal Access Act 2009: the relevant provisions are in Part 1 concerning the transfer of functions to and the continuation of prosecutions by the Marine Management Organisation (MMO) in respect of sea fishing offences, and the power of the Secretary of State to give directions to the MMO in relation to the implementation of international obligations, and Part 8 concerning the enforcement powers of Marine Enforcement Officers in relation to EU restrictions or obligations under the CFP, and rules regarding forfeiture of fish or fishing gear following a conviction for a sea fishing offence.
- (iv) The Merchant Shipping (Registration of Ships) Regulations 1993: the relevant provision is in paragraph 5 of Schedule 4 which sets out the details which must be recorded for fishing boats on the register of British ships.
- (v) The Sea Fisheries (Northern Ireland) Order 2002 transfers functions relating to sea fishing in the Northern Ireland zone, and sea fishing by Northern Ireland

fishing boats to the Northern Ireland Department of Agriculture, Environment and Rural Affairs (DAERA). The relevant parts relate to powers, concurrently held by DAERA and UK Ministers, to make provision for the enforcement of EU restrictions or obligations under the Fisheries Act 1981 and the Sea Fisheries Act 1968.

- (vi) The Tope (Prohibition of Fishing) Order 2008 prohibits the development of a directed fishery for tope.
- (vii) The Eels (England and Wales) Regulations 2009 implement Council Regulation (EC) No 1100/2007 establishing measures for the recovery of the stock of European eel.
- (viii) The Sea Fishing (Illegal, Unreported and Unregulated Fishing) Order 2009 provides for the enforcement of Council Regulation (EC) No 1005/2008 and Commission Regulation (EC) 1010/2009 establishing restrictions and obligations relating to illegal, unreported and unregulated fishing.
- (ix) The Fish Labelling Regulations 2013 designate the Secretary of State to draw up and publish the list of commercial designations of fish species accepted in the UK and provide for the enforcement of the consumer information requirements in Chapter IV of Regulation (EC) No 1379/2013 of the European Parliament and of the Council on the common organisation of the markets in fishery and aquaculture products.
- (x) The Sea Fishing (Points for Masters of Fishing Boats) Regulations 2014 implement provisions of Council Regulation (EC) No 1224/2009 establishing a Community control system for ensuring compliance with CFP rules, and set up a system for the allocation of points to UK masters of fishing boats who have committed serious infringements of CFP measures.
- (xi) The Sea Fishing (Enforcement and Miscellaneous Provisions) Order 2015 makes amendments to instruments relating to the enforcement of CFP measures and revokes obsolete fisheries legislation.
- (xii) The Grants for Fishing and Aquaculture Industries Regulations 2015 enact procedures for the management of the European Maritime and Fisheries Fund (established under Regulation (EU) No 508/2014) in England.
- (xiii) The Sea Fishing (Enforcement) Regulations 2018 give Inshore Fisheries Conservation Officers powers to enforce certain specified EU technical and conservation fisheries measures.

Why is it being changed?

- 2.4 This instrument makes minor and technical changes which are necessary to ensure that the domestic laws which give effect to and provide for the enforcement of certain CFP measures, marine management measures and related measures will continue to operate effectively after the UK leaves the EU.

What will it now do?

- 2.5 This instrument makes the minimum necessary technical fixes to address deficiencies in domestic fisheries legislation arising from withdrawal of the United Kingdom from the European Union. This will ensure that controls over fishing activities remain fully operable, and that other aspects of fisheries management, such as grant aid for fishing

activities, continue to operate on EU exit. Amending the legislation will also help to ensure that international obligations are met, and the marine environment and public health are protected. There are no substantive changes to policy.

- 2.6 The fixes include the removal or replacement of references to “Community”, “member States” or “another member State” where necessary, and the replacement of references to “Community” or “EU” “restrictions” or “obligations” with references to “retained EU restrictions” and “retained EU obligations”. The changes also ensure that cross references to CFP measures will continue to work after EU exit.
- 2.7 This instrument respects the existing devolution settlements.

5. European Convention on Human Rights

5.1 The Minister of State for Agriculture, Fisheries and Food, George Eustice MP has made the following statement regarding Human Rights:

“In my view the provisions of the Fisheries (Amendment) (EU Exit) Regulations 2019 are compatible with the Convention rights”.

6. Legislative Context

- 6.1 Section 8(1) of the European Union (Withdrawal) Act 2018 provides that a Minister of the Crown may by regulations make such provision as the Minister considers appropriate to prevent, remedy or mitigate any failure of retained EU law to operate effectively or any other deficiency in retained EU law arising from the withdrawal of the United Kingdom from the EU. This instrument is made in exercise of these powers.
- 6.2 Paragraph 21 of Schedule 7 to the Act specifies that the power to modify retained EU law includes a power to make supplementary, incidental and consequential provision.
- 6.3 The key legislative context is set out at paragraphs 2.2 and 2.3 above.
- 6.4 In addition to this instrument, the Department will introduce several other instruments as part of the exit process, which will also amend CFP measures and interact with the legislation amended by this instrument. These include the instruments described in paragraphs 6.5 to 6.7.
- 6.5 In particular, this instrument is linked to and can be read in conjunction with The Common Fisheries Policy (Amendment etc.) (EU Exit) Regulations 2018 which amend CFP measures to ensure that they will operate effectively on EU exit. Some of the amendments in those Regulations affect references to CFP measures and other provisions in domestic law. This instrument corrects those references and provisions to ensure operability and consistency with those Regulations.
- 6.6 This instrument is also linked to and can be read in conjunction with The Marine Environment (Amendment) (EU Exit) 2018 Regulations which also amend the Marine and Coastal Access Act 2009. Those Regulations amend EU and domestic law relating to the marine environment, in particular marine strategy.
- 6.7 The Department will also introduce an instrument which will transfer functions of the European Commission under the CFP to the appropriate UK authority, where appropriate.

7. Policy background

What is being done and why?

- 7.1 This instrument is essential for the UK to have an operable legislative framework for the sustainable management of fisheries as an independent coastal state. It amends legislation related to sea fisheries, inland fisheries, marine management and food, ensuring that, after the UK leaves the EU, there is immediate continuity in regulation, enabling the maintenance of sustainable fisheries management.
- 7.2 The amendments do not constitute a substantive change of policy, but are technical and minor corrections ensuring operability.
- 7.3 We do not consider any other policy options in this explanatory memorandum, because the deadline of the UK's departure from the EU means that the priority is to ensure essential legislation operates in UK law in time for EU exit, so that the UK is not left with a legislative deficit upon exit. The CFP is the main body of law which regulates fishing activities and enforcement in UK waters and the domestic legislation amended in this instrument helps to give effect to CFP and related EU measures.

8. European Union (Withdrawal) Act/Withdrawal of the United Kingdom from the European Union

- 8.1 This instrument is being made using the power in section 8 of, and paragraph 21 of Schedule 7 to, the European Union (Withdrawal) Act 2018 in order to address failures of retained EU law to operate effectively or other deficiencies arising from the withdrawal of the United Kingdom from the European Union. In accordance with the requirements of that Act the Minister has made the relevant statements as detailed in Part 2 of the Annex to this explanatory memorandum.

9. Consolidation

- 9.1 There are no plans to consolidate the legislation.

10. Consultation outcome

- 10.1 The Devolved Administrations (Scottish Government, Department of Agriculture, Environment and Rural Affairs in Northern Ireland, and Welsh Government) were involved in the drafting of the proposed amendments.
- 10.2 A targeted engagement was carried out on the approach, involving key stakeholders from the fisheries sector, food industry and environmental non-governmental bodies. In addition, a ten-week consultation was conducted through the Fisheries White Paper which described future fisheries policy. Stakeholders were broadly supportive of the approach being taken in the White Paper.

11. Guidance

- 11.1 As these are technical changes to existing legislation there is no associated guidance.

12. Impact

- 12.1 There is no, or no significant, impact on business, charities or the voluntary sector.
- 12.2 There is no, or no significant, impact on the public sector.

12.3 An Impact Assessment has not been prepared for this instrument because there are no changes to what the public sector, or business, will have to do under the regulations.

13. Regulating small business

13.1 The legislation applies to activities that are undertaken by small businesses.

13.2 As the legislation will continue to operate substantially as it did before EU exit, it will not disproportionately affect small business.

14. Monitoring & review

14.1 The approach to monitoring of this legislation is that Defra, as well as the Devolved Administrations in relation to devolved matters, will monitor and review the impact of the instrument as part of their standard policy-making procedures.

14.2 As this instrument is made under the EU Withdrawal Act 2018, no review clause is required.
