Commentary

These Regulations are proposed to be made by the UK Government pursuant to section 8(1) of the European Union (Withdrawal) Act 2018.

This instrument uses powers under the European Union (Withdrawal) Act 2018 to remove provisions from retained direct EU legislation on Intelligent Transport Systems. The revocation of the Intelligent Transport Systems EU legislation will remove technical deficiencies.

Legal Advisers agree with the statement laid by the Welsh Government dated 4 December 2018 regarding the effect of these Regulations. The above summary and the content of the Explanatory Memorandum to these Regulations confirm their effect.

Legal Advisers do not consider that any significant issues arise under paragraph 8 of the Memorandum on the European Union (Withdrawal)

Bill and the Establishment of Common Frameworks in relation to these Regulations.

Legal Advisers have not identified any legal reason to seek a consent motion under Standing Order 30A.10 in relation to these Regulations.
