Dear Mike,

**Preparing for Brexit – Report on the preparedness of the food and drinks sector in
Wales**

Over the last term the External Affairs and Additional Legislation Committee has been considering issues relating to how various sectors have been preparing for Brexit.

In particular I would like to draw your attention to our report on the preparedness of the food and drinks sector in Wales, published on 10 December 2018.

Yours sincerely,

David Rees AM

Chair of the External Affairs and Additional Legislation Committee
