The Spring Traps Approval (Wales) Order 2019

EXPLANATORY NOTE

(This note is not part of the Order)

Under section 8 of the Pests Act 1954, it is an offence to use or knowingly to permit the use of any spring trap, other than a trap that has been approved by Order, for animals or in circumstances for which it is not approved.

This Order revokes and replaces the Spring Traps Approval (Wales) Order 2012, which approved types of spring trap for use in Wales.

Article 2 specifies approved traps, namely those listed in Column 1 of the Schedule and others which are equivalent in all relevant respects to those listed. Conditions attached to the approval of each type of trap are specified in Column 2 of the Schedule.

This Order was notified in draft to the European Commission in accordance with Directive (EU) 2015/1535 of the European Parliament and of the Council of 9 September 2015 laying down a procedure for the provision of information in the field of technical regulations and of rules on Information Society services (OJ No. L 241, 17.9.2015, p.1).

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to this Order. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with this Order.

- **1.**—(1) The title of this Order is the Spring Traps Approval (Wales) Order 2019.
 - (2) This Order applies in relation to Wales.
 - (3) This Order comes into force on 1 February 2019.

Approval of spring traps

- **2.**—(1) For the purposes of section 8(3) of the Pests Act 1954, the following spring traps are approved—

^{(1) 1954} c. 68. Section 8(7) was amended by section 1(1) of, and Part 8 of Schedule 1 to, the Statute Law (Repeals) Act 1973 (c. 39).

⁽²⁾ The Minister of Agriculture and Fisheries was re-named "the Minister of Agriculture, Fisheries and Food" upon the transfer to that Minister of the functions of the Minister of Food by S.I. 1955/554. The functions of the Minister of Agriculture, Fisheries and Food were transferred, so far as exercisable in relation to Wales, to the National Assembly for Wales by article 2 of, and Schedule 1 to, the National Assembly for Wales (Transfer of Functions) Order 1999 (S.I. 1999/672). The functions were transferred to the Welsh Ministers by section 162 of, and paragraphs 30 and 32 of Schedule 11 to, the Government of Wales Act 2006 (c. 32).

make specified in an entry in Column 1 of the Schedule.

- (2) The approvals given by paragraph (1) are subject to the conditions that—
 - (a) the trap must be used in accordance with the instructions (if any) provided by the manufacturer; and
 - (b) so far as is practicable without unreasonably compromising its use for killing or taking target species, the trap must be used in a manner that minimises the likelihood of its killing, taking or injuring non-target species;

and to such further conditions (if any) as to the animals for which, and the circumstances in which, the spring trap may be used as are specified in the corresponding entry in Column 2 of the Schedule (or, in the case of a trap approved under paragraph (1)(b), as are specified in relation to the trap to which it is equivalent for the purposes of that paragraph).

(3) For the purposes of paragraph (1)(b), a spring trap is equivalent in all relevant respects to a spring trap of a type and make specified in the Schedule if it corresponds to the spring trap specified in its construction, in materials, in impact force or momentum, and in all other respects which are relevant to its effect or manner of operation as a trap.
