Overview

Introduction

- 1 This Fee Scheme has been prepared by the Wales Audit Office under section 24 of the Public Audit (Wales) Act 2013 (the Act) ([Appendix 1](#)). The Fee Scheme, following approval by the National Assembly's Finance Committee, provides the basis on which the Wales Audit Office charges fees.
- 2 The Board has listened carefully to stakeholder feedback in relation to our cost-efficiency agenda and the fee rates we set. In seeking the National Assembly's support for our Estimate for 2019-20, we proposed in the Estimate:
 - an increase in fee rates to be offset by reductions in audit days and skills mix to keep our fee scales unchanged from 2018-19.
 - to continue in line with previous National Assembly agreement to fund National Fraud Initiative (NFI) work from our charge on the Welsh Consolidated Fund rather than through fees charged to participating bodies. Feedback told us that audited bodies welcome this approach.
 - to continue to provide public sector secondment opportunities for our accounting trainees, without impacting on fees charged for audit work.
 - to maintain capacity for transformational thinking in our approaches to audit work. Feedback reinforced the need for us to do more developmental work as part of balancing the overall cost of audit on public bodies.
- 3 This Fee Scheme reflects the approved Estimate and in broad terms sets out:
 - the enactments under which the Wales Audit Office charges audit fees.
 - the arrangements for setting those fees, which comprise either:
 - fee scales that set out fee ranges for particular areas of audit work in local government; or
 - fee rates for work not covered by fee scales.
- 4 Broadly, 68% of our expenditure is funded through fees charged to audited bodies and a grant from the Welsh Government to support improvement assessment work. The remaining 32% is provided directly from the Welsh Consolidated Fund through vote of the National Assembly. Further information about our expenditure and funding is contained in annual estimates of income and expenditure which are laid before the National Assembly.

Fee rates and fee scales

- 5 The Wales Audit Office does not generate profits on fees. Legislation requires that the fees we charge may not exceed the full cost of exercising the function to which the fee relates. Our fee rates are set at a level to recover that full cost.
- 6 There is a tension between providing audited bodies with an up-front fee for the work to be undertaken on specific audits and having a sufficiently flexible regime that recognises the inevitability of variances. We set our audit fees based on our estimated expenditure, the estimated skills mix and the estimated number of days required to complete the work. Where the required work is significantly greater than that originally estimated, as a result of complexities experienced during the audit, we may charge a higher fee, as permitted by legislation.
- 7 During 2017-18 we consulted widely on legislation governing the fee regime in Wales which is more complex than in other parts of the UK and creates inefficiency and additional cost for the public sector in Wales. The outcome of this consultation has been submitted to the Finance Committee and we await their response.
- 8 We went beyond the statutory fee consultation requirements and, in August 2018, consulted all audited bodies and other stakeholders on our fee scales for 2019-20. A total of 92 different bodies were consulted. We received responses from just seven of those bodies. Those responses told us that:
 - audited bodies continue to welcome free participation in the National Fraud Initiative; and
 - whilst welcoming our commitment to freeze our fee scales and overall fees for 2019-20, some audited bodies asked if we could go further and reduce fees in line with the reductions in funding being experienced by those bodies.
- 9 In 2018-19 we reduced our fee scales through audit efficiencies and have maintained these scales at 2018-19 levels for 2019-20 despite the necessary increase in hourly rates.
- 10 The Board welcomed the feedback and responds to it through this Fee Scheme and our Estimate.
- 11 **Exhibit 1** sets out the hourly fee rates for audit staff.

Exhibit 1: fee rates for audit staff

Grade	Proposed fee rate (£ per hour) 2019-20	Fee rate (£ per hour) 2018-19
Engagement director	161	159
Audit manager	115	112
Principal Auditor	94	93
Senior Auditor	73	66/76
Auditor	57	57
Graduate trainee	46	44

- 12 We are required to prescribe fee scales for:
- work relating to the audit of local government bodies;
 - work under the Local Government (Wales) Measure 2009; and
 - data-matching work (NFI).
- 13 Fee scales for the audit of the 2018-19 financial accounts and 2019-20 improvement audits and assessments are provided in **Appendix 3** in relation to work conducted at unitary authorities, fire and rescue authorities, national park authorities, police and crime commissioners and chief constables, town and community councils and local government pension funds. A separate fee scale is provided in relation to the NFI.
- 14 Fee scales are a means of regulating the cost of public audit, through setting limits and by reviewing fees against those limits. Fee scales also provide a framework for auditors to assess the amount of annual audit work necessary and the fee to be charged for that work at a particular audited body.
- 15 Audited bodies not covered by the statutory requirement for a fee scale have their estimated audit fees calculated in the same way as for those which are covered – that is, through applying the fee rates published in this Fee Scheme to the estimated team mix and hours of input required for the audit.

- 16 Auditors undertake grant certification work on behalf of the Auditor General. The amount of grant certification work undertaken in any year is dependent on the number of schemes subject to audit and the number of audited bodies participating in those schemes. Charges for this work are calculated using the fee rates and reflecting the size, complexity or any particular issues in respect of the grant in question.
- 17 The fee rates apply to all audit work that the Wales Audit Office will charge for, except to the extent that the fee scales, where applicable, regulate the amount to be charged (or in the case of work done by agreements prior to 1 April 2014, rates are in terms as agreed). If it subsequently appears to the Wales Audit Office that the work involved in a particular audit differs substantially from that originally envisaged, the Wales Audit Office may charge a fee which differs from that originally notified.
- 18 In the case of the provision of other administrative, professional or technical services provided, fees will be charged in accordance with the relevant agreement, subject to such amounts being capped at the full cost of providing the service. To meet their statutory responsibilities, it is sometimes necessary for auditors to carry out work which goes beyond their general duties. Additional work can include reports in the public interest, extraordinary audit, special inspections and further work in relation to electors' questions and objections, and the prevention of unlawful expenditure. Charges for this type of work will reflect the nature of the work required.
- 19 Where specialist support or legal or other professional advice is required, this will be charged to audited bodies in addition to the cost of Wales Audit Office staff.

Charging of fees

- 20 Each body's Engagement Director will explain that body's skills mix for the audit and the factors influencing the overall fee. Charging arrangements are agreed with audited bodies and may encompass one-off, periodic, regular or annual charging, as appropriate in the circumstances.
- 21 Audited bodies are expected to pay the Wales Audit Office's invoices within their performance target for creditor payments, usually 10 days in the public sector. We may charge for the administrative costs incurred in pursuing late payments.
- 22 On completion of audit assignments, we will assess the actual costs incurred in undertaking the assignment in comparison with the fee charged. We will refund any excess of fee over cost and, conversely, we may charge additional costs where the fee falls short. We will process refunds and additional charges in a manner which seeks to minimise administrative costs, such as through offsetting against future fees or fees for other aspects of audit activity.

 - c where those enactments make provision for the Wales Audit Office to prescribe an amount to be charged, that amount; and
 - d where no provision is made for a scale or scales of fees or for an amount to be prescribed, the means by which the Wales Audit Office is to calculate the fee.
- (3) The scheme may, amongst other things:
 - a include different provision for different cases or classes of case; and
 - b provide for times at which, and the manner in which, payments are to be made.
- (4) The Wales Audit Office:

 - b section 27A of the Local Government (Wales) Measure 2009 (Welsh Ministers' power to prescribe a scale of fees)

to have effect instead of a scale or scales prescribed by the Wales Audit Office, the Wales Audit Office must revise the scheme to include the scale or scales prescribed by the Welsh Ministers instead of those prescribed by the Wales Audit Office.

- (6) If a revision made in accordance with subsection (5) is the only revision to a scheme, it does not require the approval of the National Assembly.
- (7) The scheme takes effect when approved by the National Assembly or, in the case of a revision made in accordance with subsection (5), once it has been laid before the National Assembly.
- (8) The Wales Audit Office must publish the scheme (and any revision to it) as soon as reasonably practicable after it takes effect.

Police and crime commissioners and chief constables

Auditors undertake audits of two statutory bodies in a police area – the Police and Crime Commissioners (PCCs) and the Chief Constables (CCs). The split of the total fee between the two bodies in a particular police area will be a matter for auditors to determine, based on accounting requirements and the operational arrangements put in place by each of the bodies.

Town and community councils with annual income or expenditure under £2.5 million

Town and community councils in Wales are subject to a limited assurance audit regime. Since 2016-17, we have charged for this work on a time basis rather than the historical basis of a fixed fee according to expenditure/income bands.

The fee rate charges are as set out in [Exhibit 13](#).

In circumstances where the auditor requires further evidence to properly discharge their responsibilities, including following publication of a related public interest report, additional testing will be undertaken to address the auditor's concerns.

It is emphasised that the actual charge made to any particular body will be dependent on the time actually worked on that particular audit. The ranges provided in the table below are for indicative purposes only.

Fee rates for other work in local government

The audit of other types of local government body, work which goes beyond the general duties of the Auditor General, and grant certification work

Other than those types of bodies for which fee scales have been prescribed as shown above, there are a small number of other types of local government body where our prescription of the fee scale is a matter of converting the resource requirements into fees directly based on the costs of delivering the work or by applying the fee rates as set out in [Exhibit 1](#). It remains the case that for audits of these bodies we apply a zero-based approach to audit planning.

For all types of local government body, to meet his statutory responsibilities, it is sometimes necessary for the Auditor General to carry out work which goes beyond general duties (those set out in section 17 of the Public Audit (Wales) Act 2004). Additional work can include reports in the public interest, extraordinary audit, special inspections and further work in relation to elector challenge and the prevention of unlawful expenditure. Charges for this type of work will reflect the nature of the work required.

Exhibit 15: estimates of the relative proportions of financial audit staff grades to be used for different types of grants work are provided below.

Grade of staff	Complex grants staff mix %	All other grants staff mix %
Engagement director	1 to 2	0 to 1
Audit manager	4 to 6	1 to 2
Senior auditor	18 to 21	12 to 16
Auditor/ graduate trainee	77 to 71	87 to 81

Auditors may also undertake grant certification work at local government bodies on behalf of the Auditor General. The amount of grant certification work undertaken in any year is dependent on the number of schemes subject to audit and the number of audited bodies participating in those schemes. Charges for this work are made on a per-hour basis and reflect the size, complexity or any particular issues in respect of the grant in question.

Complex grants include:

- BEN01 Housing and council tax benefits scheme
- LA01 National non-domestic rates return
- PEN05 Teachers' pensions return

Fee scales for work undertaken under the National Fraud Initiative (data matching)

In order to support Welsh public bodies in combating fraud, the Auditor General conducts the National Fraud Initiative (NFI) in Wales on a biennial basis. The NFI is also run in England, Scotland and Northern Ireland. The NFI matches data across organisations and systems to help public bodies identify potentially fraudulent or erroneous claims and transactions. The NFI has been a highly effective tool in detecting and preventing fraud and overpayments. Since its commencement in 1996, NFI exercises have resulted in the detection and prevention of more than £30 million of fraud and overpayments in Wales and £1.3 billion across the UK.

The Auditor General conducts the NFI using his statutory data-matching powers under Part 3A of the Public Audit (Wales) Act 2004.

Since April 2016, the National Assembly has met the costs of running the NFI through payment from the Welsh Consolidated Fund as approved through the Wales Audit Office's Estimate, so ensuring that voluntary participants are not charged a fee for participation. As required by legislation, the fees for mandatory participants are shown below.

Exhibit 16: NFI fees

Unitary authority; police and crime commissioners and chief constables; fire and rescue authorities; NHS trusts; local health boards.	Nil
All participants may also be provided with access to the NFI Application Checker (App Check).	Nil

Mandatory participants will also be provided with access to the NFI Application Checker without charge.
