PLANT HEALTH, WALES

The Plant Health (Wales)
(Amendment) Order 2019

EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends article 19 of the Plant Health (Wales) Order 2018 which applies to certain plants intended for planting, which have been grown or are suspected to have been grown in another member State or in Switzerland. It requires the importer of any such plants to notify an authorised inspector in writing of their landing no later than four days after the date of their landing in Wales. The amendment extends these requirements to plants of *Olea europaea* L.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to this Order. As a result, a regulatory impact assessment has been prepared as to the likely costs and benefits of complying with this Order. A copy can be obtained from the Plant Health and Environment Protection branch of the Welsh Government, Cathays Park, CF10 3NQ.
