Dear Mick

Following my attendance at your committee meeting on 21 January, I offered to provide an update following the most recent Senior Steering Group meeting on Marine and Fisheries last week, at which senior Welsh Government officials met with Defra and the Devolved Administrations.

At the meeting officials discussed clause 18 of the draft UK Fisheries Bill and I am advised they have registered the concerns on this matter and have asked DEFRA to consider and respond, taking into account the existing intergovernmental principles and practices on co-operative working.

Regards
Lesley
