The Constitutional and Legislative Affairs Committee considered the Welsh Government written statements issued under Standing Order 30C for the above named regulations at its meetings on 11 and 18 February 2019.

We welcome the clarity of the written statements, in terms of the retained EU law being amended and revoked, the impact on the legislative competence of

the Welsh Ministers and the National Assembly, and the purpose of the amendments being made by the Regulations.

The clear explanation provided within each statement greatly assisted us in undertaking our scrutiny function.

Yours sincerely,
