

P-05-874 – Ban the sale of goods packaged in single use plastics on Transport for Wales services

This petition was submitted by Lydia Jackson having collected a total of 125 signatures.

Text of Petition

We call on the National Assembly for Wales to urge the Welsh Government to ban the sale of goods which are packaged using single use plastics on Transport for Wales services. As stated by the Welsh Government: "Transport for Wales exists to drive forward the Welsh Government's vision of a high quality, safe, integrated, affordable and accessible transport network that the people of Wales are proud of." We feel that banning the sale of single use plastics which are damaging our natural environment would be a significant step in reaching this objective and demonstrating the Welsh Government's commitment to providing a fairer and safer future for the citizens of Wales.
