

P-05-867 Make the 'Cofiwch Dryweryn' Mural a designated Welsh landmark

This petition was submitted by Joe Williams having collected 1,016 signatures online.

Text of Petition

It's ridiculous that such an important landmark in 20th Century Welsh History is the subject of vandalism, while a recent Banksy work is being protected.

It's time that this landmark be granted official protected site status within Wales.

Assembly Constituency and Region

- Merthyr Tydfil and Rhymney
- South Wales East
