Dear Janet

Thank you for your follow-up e-mail of 11 March regarding the protection of class sizes in Design & Technology Classrooms and Workshops (Petition P-05-802).

In my previous correspondence I made a commitment that my officials would send an advice note in the Dysg newsletter to remind headteachers of their duties to carry out risk assessments in schools, and in particular, of Design & Technology classes to ensure their classes are conducted safely; and to provide a copy to the Petitions Committee.

I do not have a record that confirms that the advice was sent to schools. As such, I have asked my officials to include an advice note in this month's edition of Dysg. A link to the article is below.
