Dear Kirsty,

Elective home education: request for update

Earlier this year we corresponded with the Children's Commissioner for Wales in relation to elective home education. The [latest correspondence](#) was exchanged in January 2019.

The Committee would welcome a written update from you outlining the latest steps taken to progress arrangements to ensure that children educated at home are seen and spoken to about the education they are receiving, and that they are happy, healthy and safe. The Committee would also welcome an indication of the timescales for future milestones in this policy area.

I will be writing to the Children's Commissioner for Wales to request an update on her view of the steps taken to date, and I have shared a copy of this letter with her office for awareness.

Yours sincerely

Lynne Neagle AM
