About you

1 The Bill’s general principles

1.1 Do you support the principles of the Children (Abolition of Defence of Reasonable Punishment) (Wales) Bill?
— Yes

1.2 Please outline your reasons for your answer to question 1.1
(we would be grateful if you could keep your answer to around 1000 words)

- The current law is not clear. For example, social workers/health visitors cannot give clear advice to parents about physical punishment
- Equality—It’s because children should have the same protection from assault as adults do. The smallest most vulnerable members of our society should not have less protection
- Physical punishment is harmful for children and leads to poorer outcomes
- Physical punishment does not work and because it does not work there is a danger of it escalating into physical abuse and in some cases lead to the death of a child eg. Victoria Climbie, Baby P, Daniel Pelka in England, and Yaseen Ali in Cardiff
