About you

Individual

1  The Bill’s general principles

1.1  Do you support the principles of the Children (Abolition of Defence of Reasonable Punishment) (Wales) Bill?

— Yes

1.2  Please outline your reasons for your answer to question 1.1

(we would be grateful if you could keep your answer to around 1000 words)

Children should have the same protection from assault as adults do. The smallest most vulnerable members of our society should not have less protection.

1.3  Do you think there is a need for legislation to deliver what this Bill is trying to achieve?

(we would be grateful if you could keep your answer to around 1000 words)

The change will help realise children’s rights to Article 19- protection from violence and abuse. The Committee on the Rights of the Child has asked the UK to prohibit corporal punishment by removing the reasonable punishment defence three times. I am pleased that Welsh Government is leading the way in the UK and doing this.
