

# Meeting in a Box

[The Children, Young People and Education Committee](#) want to hear from young people about:

- How well children know their rights;
- If children think they have access to these rights; and
- Which rights are most important to them.

## **Meeting in a Box - Resource pack**

To empower the young people you work with to share their views on this matter we have designed a lesson plan and resources that youth workers, teachers and group leaders can deliver with up to 35 young people, within an hour.

The Meeting in a Box resource pack is available for you to adapt to suit your group so that the session suits the learners.

After running the sessions we're asking the leader to complete a 15 minute survey to share what was learnt and feed into the wider inquiry. The [survey](#) is open until 4 October 2019.

Download the pack and all the resources below, or contact [Rhayna Mann](#) to request a hard copy version.
