Dear Mr Ramsay

Further to my correspondence on 5 August to the Public Accounts Committee you asked for further clarification regarding the Turnaround Director role at BCUHB and specifically whether the appointment of Phillip Burns is in addition to the earlier appointment of Geoff Lang.

I can confirm the Recovery Director position is not in addition to the earlier appointment of Geoff Lang. The Health Board has realigned its recovery work and there is no longer a Turnaround Director post within the structure. The health board has also established a Financial Recovery Group to support the Recovery Director involving both Executive and Independent Member membership and has reviewed all Improvement Groups to ensure focus on both financial recovery as well as long term transformational service improvements.

Yours sincerely

**Dr Andrew Goodall CBE**
