

P-05-851 Remove time restrictions on the layby to the east of Crickhowell

This petition was submitted by Crickhowell Town Council, having collected 209 signatures.

Text of Petition

We call on the Welsh Government to remove the time restriction on the layby to the east of Crickhowell. At present it has a time limit of one hour. It is the only such layby with this restriction on the A40 in Wales.

There is rarely a car there as to go into town for a cup of tea would exceed the time limit.
