Dear Janet,

Thank you for your letter of 29 July on behalf of the Petitions Committee regarding Petition P-05-738, Public Petition for the Dinas Powys By-Pass.

There are a number of transport proposals being taken forward which will potentially benefit Dinas Powys and the wider area. These include improvements under the new rail franchise and the reform of bus services which will be supported through the legislative proposals being taken forward as part of the proposed Public Transport (Wales) Bill. The changes proposed in the Bill will seek to address some of the negative impacts of de-regulation on users, operators and authorities, by creating a number of tools which would enable local authorities to intervene should they chose to do so.

In addition to improvements to the public transport system, we are working closely with local authorities to identify a package of measures along key corridors in the Capital City Region to tackle congestion on the roads and encourage people to transfer from their cars to more sustainable transport modes.

Yours sincerely,

Ken Skates AC/AM
