

Ken Skates AM
Cabinet Secretary for Economy and Infrastructure

24 January 2017

Dear Cabinet Secretary

You will have recently received a letter from NUS Wales highlighting their concerns regarding the Welsh Government's recent decision not to extend the My Travel Pass Scheme when the pilot comes to an end in March. As you are aware a copy of this letter was also sent to the Children, Young People and Education Committee.

The Committee considered the letter at its meeting on 18 January, and is concerned at the potential impact on young people of the decision to end the scheme. To help inform the Committee's consideration of this matter, could you please confirm what evaluation was undertaken of the effectiveness of the scheme, and on what factors you based your decision not to extend the scheme.

Yours Sincerely

Lynne Neagle AC / AM
Cadeirydd / Chair
