

Committee Chairs
National Assembly for Wales

16 December 2019

Dear Chair,

Committee on Assembly Electoral Reform

As you will be aware, the **Committee on Assembly Electoral Reform** was established by the National Assembly for Wales in September 2019 with a remit to examine the recommendations of the **Expert Panel on Assembly Electoral Reform**. I am writing to invite your views on the potential implications for Assembly committees of any change in the size of the Assembly.

In particular, we would welcome the views of your Committee on:

- Whether the current size of the Assembly has given rise to any implications or limitations for your Committee's work or the way in which you approach policy, legislative and financial scrutiny of the issues within your remit.
- How any recent or anticipated changes to the Assembly's powers or responsibilities, or the broader constitutional context, might affect your Committee's remit or how you undertake your role.
- Any implications an increase in the size of the Assembly might have for the work of Assembly committees, including the support services they receive.

We would also welcome information about how your Committee assesses the impact of its scrutiny work, and examples of effective scrutiny or missed opportunities. It would be helpful to receive your response **by Monday 27 January 2020**.
