Dear Andrew

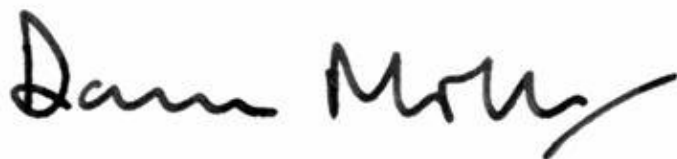

Public Procurement

Thanks you for your letter of 4 December 2019 which was considered in the meeting of the Public Accounts Committee on 6 January.

The Committee noted that a further update will be submitted in the spring, by which time we hope that the new Welsh Government procurement strategy will have been finalised.

In the meantime, I would appreciate a reply advising on what considerations, if any, have been given to the potential impact any future tariffs, arising from Brexit, may have for procurement.

Yours sincerely,

Darren Millar AM
Chair (Temporary)
