

**P-05-894 Fairer business rates for Welsh businesses, Correspondence –
Petitioner to Committee, 22.01.20**

Please can you close the petition for now, we are happy with the High Streets Relief Scheme which has been introduced and has helped lots of businesses in Pontypridd, I shall have a word with my directors and gather feedback from our businesses to see if they still wish to pursue a new petition or have any ideas they wish us to act on.

Thank you to the Assembly for considering our petition and we will be in touch soon.
