EXPLANATORY NOTE
(This note is not part of the Regulations)

These Regulations, which apply to Wales, amend the Food for Specific Groups (Information and Compositional Requirements) (Wales) Regulations 2016 (S.I. 2016/639 (W. 175)) (“the 2016 Regulations”) in order to provide for the enforcement in domestic law of the provisions of Commission Delegated Regulation (EU) 2016/128 of 25 September 2015 supplementing Regulation (EU) No 609/2013 of the European Parliament and of the Council as regards the specific compositional and information requirements for food for special medical purposes developed to satisfy the nutritional requirements of infants (OJ No. L 25, 2.2.2016, p. 30) (“the Delegated Regulation”).

These Regulations make provision for a purpose mentioned in section 2(2) of the European Communities Act 1972 (c. 68) and references in them to provisions of the Delegated Regulation are to be construed as references to such provisions as they are amended from time to time.

Regulation 4 of these Regulations amends regulation 2 of the 2016 Regulations so that references in the 2016 Regulations to the Delegated Regulation are to the Delegated Regulation as it applies to food for special medical purposes including that developed to satisfy the nutritional requirements of infants.

Regulation 6 of these Regulations substitutes a new regulation 7 of the 2016 Regulations to provide new transitional arrangements which ensure that stocks of food for special medical purposes which were labelled...
or placed on the market before the date of application of provisions of the Delegated Regulation may continue to be marketed until those stocks are exhausted.

Regulation 7 of these Regulations amends the table in Schedule 1 to the 2016 Regulations to include further provisions into the definition of “specified EU requirement”.

These Regulations also make amendments to the 2016 Regulations to correct drafting errors and to provide further clarity. Regulation 8 inserts new paragraphs 6A and 7A in Part 3 of Schedule 3 to the 2016 Regulations to provide clarity regarding the application of section 35 of the Food Safety Act 1990 to the 2016 Regulations and regulation 5 corrects a drafting error in regulation 4(5) of the 2016 Regulations.

Regulation 9 of these Regulations contains revocations and savings provisions. Regulation 9 of, and the Schedule to, these Regulations revoke the Medical Food (Wales) Regulations 2000 (S.I. 2000/1866 (W. 125)) and provisions which amend them. The Medical Food (Wales) Regulations 2000 implement Commission Directive 1999/21/EC on dietary foods for special medical purposes developed to satisfy the nutritional requirements of infants (OJ No. L 91, 7.4.1999, p. 29, as corrected by a corrigendum published on 5 January 2000 (OJ No. L 2, 5.1.2000, p. 79)).

Regulation 9 of these Regulations further provides for the revocations to be saved for the purposes of the transitional provisions in regulation 7 of the 2016 Regulations as substituted by these Regulations, and for the purposes of the transitional provisions in regulation 5(3) of the Infant Formula and Follow-on Formula (Wales) Regulations 2020 (S.I. 2020/**** W. **)).

The Welsh Ministers’ Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, it was not considered necessary to carry out a regulatory impact assessment as to the likely costs and benefits of complying with these Regulations.
The Welsh Ministers make the following Regulations in exercise of the powers conferred by sections 6(4) 16(1)(a) and (e) and (2)(b), 17(1) and (2), 26(1) and (3) and 48(1) of the Food Safety Act 1990(1) and now vested in them(2) and section 2(2) of, and paragraph

(1) 1990 c. 16. Section 6(4) of the Food Safety Act 1990 (“the 1990 Act”) was amended by paragraph 6 of Schedule 9 to the Deregulation and Contracting Out Act 1994 (c. 40), paragraph 10(1) and (3)(a) of Schedule 5, and Schedule 6 to the Food Standards Act 1999 (c. 28) (“the 1999 Act”) and S.I. 2002/794. Section 16(1) of the 1990 Act was amended by paragraphs 7 and 8 of Schedule 5 to the 1999 Act. Section 17 of the 1990 Act was amended by paragraphs 7, 8 and 12 of Schedule 5 to the 1999 Act and S.I. 2011/1043. Section 26(3) was amended by Schedule 6 to the 1999 Act. Section 48(1) was amended by paragraphs 7 and 8 of Schedule 5 to the 1999 Act.

(2) Those functions formerly exercisable by “the Ministers” (being, in relation to England and Wales and acting jointly, the Minister of Agriculture, Fisheries and Food and the Secretaries of State respectively concerned with health in England and food and health in Wales) are now exercisable in relation to Wales by the Secretary of State pursuant to paragraph 8 of Schedule 5 to the 1999 Act. Those functions, so far as exercisable in relation to Wales, were transferred to the National Assembly for Wales by S.I. 1999/672 as read with section 40(3) of the 1999 Act and thereafter transferred to the Welsh Ministers by paragraph 30 of Schedule 11 to the Government of Wales Act 2006 (c. 32).
1A of Schedule 2 to, the European Communities Act 1972(1).

The Welsh Ministers have been designated for the purposes of section 2(2) of the European Communities Act 1972 in relation to measures relating to food (including drink) including the primary production of food(2).

These Regulations make provision for a purpose mentioned in section 2(2) of the European Communities Act 1972, and it appears to the Welsh Ministers that it is expedient for certain references to provisions of Commission Delegated Regulation (EU) 2016/128(3), referred to in these Regulations, to be construed as references to those provisions as amended from time to time.

The Welsh Ministers have had regard to relevant advice given by the Food Standards Agency in accordance with section 48(4A)(4) of the Food Safety Act 1990.

There has been consultation as required by Article 9 of Regulation (EC) No 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety(5), during the preparation and evaluation of these Regulations.
