

P-05-877 Children's used uniform scheme

This petition was submitted by Rachael Mackay (Topaz class, Monnow Primary School) having collected a total of 54 signatures.

Text of Petition

We the children of Monnow Primary School in Newport would like to see a used school uniform scheme up and running in every city in Wales. The scheme should provide uniforms, shoes and trainers for all ages. This would make sure that all children have access to affordable uniforms. Families that receive free school meals should take priority.
